This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Annika needs to learn some lessons.
She and her boyfriend have been toying around with starting their own amateur porn company. We offered to help them learn the ropes. The first lesson involves Annika fucking a stud.

Violet is an adorable cutie pie.
She's a newcomer with an innocent look that'll be right up your alley if you're into young, doe-eyed sweeties. But don't let her looks fool you, she's had some experiences.

Carmen is a skinny teen.
She's young, flat-chested and horny as hell. She spreads her legs to reveal a yummy, hairless pussy. She goes knuckle-deep until she cums hard.

Lilo is drop-dead gorgeous.
She's one of the prettiest newcomers in porn. She's brand-new, gorgeous and has sex appeal for fucking days. Watch her fuck our stud's cock!

Infanta looks insanely young.
She's teeny-tiny and has perky little B-cup boobs. Her face is beautiful and her body is lean and toned. We had to check her ID twice before we let her strip and masturbate.

Sveera works out a lot.
This hot blonde chick with bangs does some yoga poses in the backyard. For cardio, she gets her heart pumping by masturbating until she cums.

Foxy's bush is big, bold and beautiful.
She is a career woman, a divorcee, a mother of two and a Bush Baby. She's also a horny minx whose clients would be surprised to see her here.

Is Kyler a goody-two-shoes?
She says that she's innocent, but we can tell by the mischievous gleam in her eyes that she's full of it. Watch her finger her cunt and rub her clit.

See Sarah's first on-camera fuck.
This strawberry-blonde girl-next-door seduces our porn stud. When she pulls out his cock, she says it's the biggest one she's ever seen. She sucks and fucks until the guy coats her tummy.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Jade*

Age: 25
Height: 5'3"
Lives: Nashville, TN

"I'm into femdom, which is short for female dominance. Don't get me wrong, I like it when a guy grabs my hips and fucks me hard. But I also like lubing up my strap-on, slapping a guy's face and fucking his ass 'til he cums. I'm also into bondage and exhibitionism. My biggest fantasy is chaining a guy up and using him like a fucktoy with a group of girls all cheering me on. I'd let him cum, of course…eventually."

See Jade get fucked and facialed in issue NN2805, available for purchase on page 21. See the video in I Fucked My Neighbor 3, available on page 99.

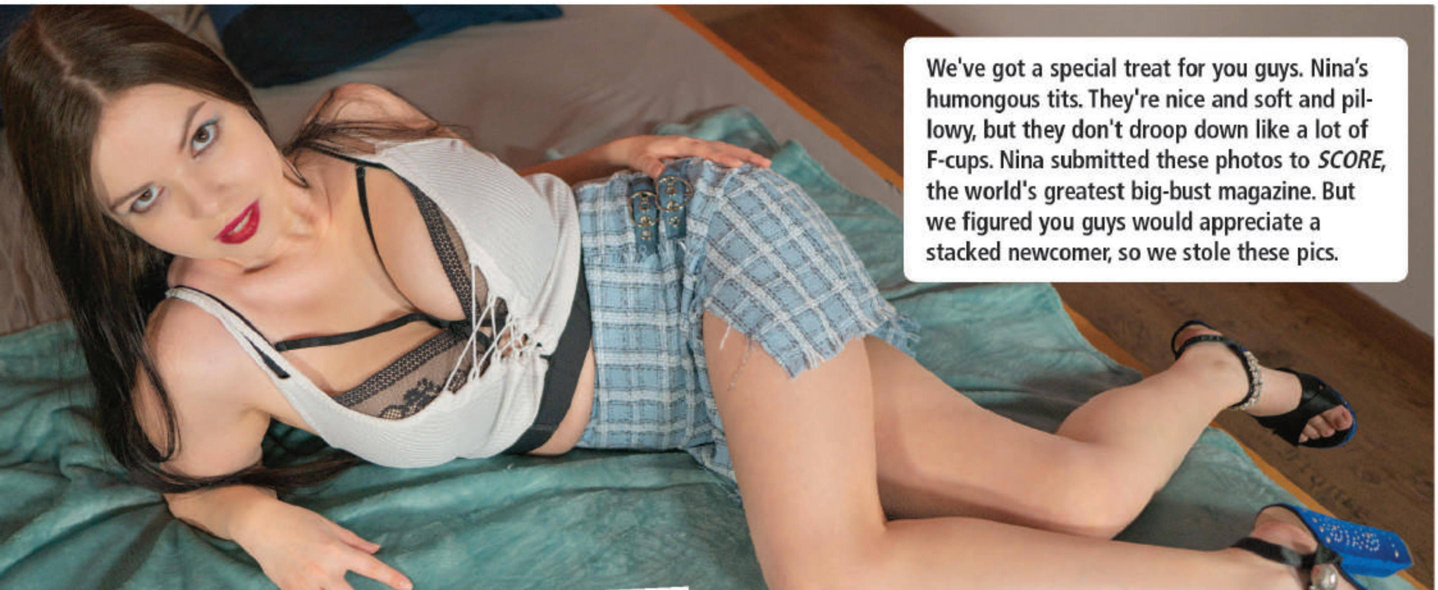
Nina

Rotterdam, The Netherlands



We've got a special treat for you guys. Nina's humongous tits. They're nice and soft and pillowy, but they don't droop down like a lot of F-cups. Nina submitted these photos to *SCORE,* the world's greatest big-bust magazine. But we figured you guys would appreciate a stacked newcomer, so we stole these pics.

She's a one-man gal.

"I hate the idea of threesomes. I like one-on-one fucking. To me, sex is better without distractions around. Also, I don't have any sexual attraction to women. I can appreciate a beautiful lady, but I don't want to eat pussy."

Nina loves writing poetry and making music with her family. She says that she likes to be treated like a lady on dates. Candlelit dinners are her favorite. She takes charge in the bedroom and needs a guy who can just lie back and let her grind her pussy on his cock until she cums. "I know how to make myself cum better than any guy, so I'm always in command of the cock."

Most women in their 40s only have sex with their husbands. A few have affairs. Even fewer take on the biggest, hardest cocks in porn on-camera. These 10 MILFs are extraordinary. They're letting guys who are young enough to be their sons fill their cunts and plaster their faces with cum. Autumn works as a yoga instructor, so it's no surprise she gets her legs way far back as a 27-year-old guy hammers her pussy. Blonde bombshell Suzi looks amazing in pink lingerie in her scene. She looks even better 69ing and fucking.

Melody is excited to try a big black cock. She drops to her knees to suck the guy off, then she rides his hog until she cums. She's rewarded with a gargantuan cum facial that she rubs onto her lips and eats. Kayla gives us a toy show with her favorite dildo before a young guy lends her his dick. She takes them both on at the same time. Di Devi took off her wedding ring for her on-camera fuck! She doesn't want stranger splooge on the diamond.

Anni Love takes advantage of a 20-year-old fuckboy. She pins him down, pulls off his pants, sucks his balls until his cock is hard as nails and then deepthroats him until his rod disappears down her throat. Then she hops on top and slips him into her sopping-wet slit. Asha starts her scene by teasing the camera. But teasing is no fun, so she sucks, jerks and fucks a guy until he sprays on her face. She smiles and rubs the goo all over the place.

Filiya, 41

Ola Ramona, 45

Unlike some of these raunchy MILFs who need dick sunk in their pussy immediately, Filiya is a sensual lay. She's seductive and takes her time to ensure she has a long, hard orgasm. Ola makes her stud eat her pussy before she fucks him. Then, after he cums in her mouth, she makes him kiss her. She's in control in this scene. Big-titted Lacy is a farm girl. You can see her practice riding the bucking bronco by straddling our stud's thick cock and holding on as she bounces up and down. She's a cum slut who gets a big load.

Lilith

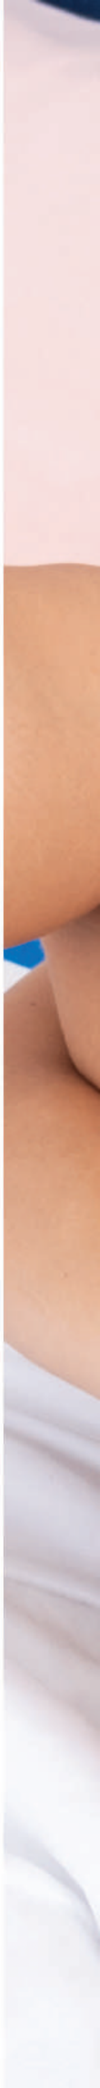
Miami, Florida

Lilith knows how to have a good time. "If I have a boyfriend, I like to have sex multiple times a day," she told us. "Unfortunately, I'm single at the moment, so I've been having a dry spell. It sucks. I masturbate every morning and every night before bed, but it doesn't scratch the itch. It's better than nothing, I guess. But dildos and vibrators and buttplugs can't replace a good dick."

We asked Lilith to share some sexy secrets. "When I lost my virginity, I also lost my anal virginity. We were so excited, we wanted to try everything. It was a really nice session. My boyfriend at the time was super nervous, so it took him forever to cum. It was actually really helpful because I was so tense at the beginning, but after, like, 15 minutes I started to loosen up and get into it. My pussy was so wet, we didn't use lube when he shoved his dick in my butt."

Take aim on Lilith's face.

"I always swallow when giving blowjobs unless the guy asks to cum somewhere else. If I'm not going somewhere afterward, I'll let him cum on my face. It's fun! But it smears my makeup, so I have to plan for it."



"I'm a gigging musician, so I spend a lot of time alone making songs and sound mixing. It's definitely my calling! I don't date that much. It can be really fun, though. I like when guys take me to fancy restaurants or to see a show. As long as we end up at his house and he fucks me, it'll count as a good date! The guy will get bonus points if he eats my ass, too."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

IS CAR SEX LEGAL?

Picture this. You're on a date with your wife. You're trying to spice things up. Maybe you're trying to recreate what it felt like when you lived at home and had to sneak randy rendezvous with your high school girlfriend. Some good ol' car sex would recreate that spark! But is fucking in your car legal? In the USA, Great Britain and most other jurisdictions, no criminal law makes having sex in your car illegal. But, if you get busted engaging in sexual acts in public or within public view, then you could be charged with a crime. Basically, if your car is off, keys out of the ignition, and parked on your own private property, then you're probably good to go. That means road-head is off the table, unfortunately. That is unless you're feeling like breaking some laws.

Arrest me, please.

Do you know where your favorite sex toy is?

LOST & FOUND

DILDO EDITION

When it's time to break out your favorite sex toy, there's nothing worse than reaching for it and realizing it's missing. You might wonder, "Where could it be?" The answer to that question is quite embarrassing for hundreds of UK citizens. From 2014 to 2022, 250 sex toys (vibrators and other goodies) were left on public transportation. That includes busses, trains, trolleys and cabs. Only 22 brave and naughty commuters went to reclaim their dildos and pocket pussies. The rest presumably shamefully abandoned their cum commodities. If you're curious, most of the toys were found at the end of the Piccadilly Line at a stop named Cockfosters Tube Station. How fitting.

ARE YOU ONE-NIGHT STAND MATERIAL?

Women are looking for some very specific traits in their one-night stands. Can you measure up? Researchers from the University of Göttingen, led by Virginia J. Vitzthum, teamed up with a condom company to poll residents of 180 countries to find out what qualities women look for while planning a once-off hookup. Professor Vitzthum explained that short-term and long-term partners check different boxes for women. To build a family, trust and compassion are vital. But those attributes are pretty far down on the list for satisfying sexual yearnings. Almost 90% of women said men needed to be taller than them for a booty call. Of that 90%, 11% said the man had to be significantly taller. Over 50% preferred a "fit and athletic" body type, while 29.1% wanted an average guy. The women polled also liked some hair on the face with a smooth chest. Not all women worldwide felt the same way about specific attributes. Women from Mexico and Japan said that the most important feature a hookup could possess is large hands. The rest of the women polled said that attractive eyes and a nice smile took the top spots.

Candy

Moscow, Russia

A faithful reader named J.R. in California wrote to us asking why we couldn't find any redheads with pubes. A few weeks later, we received an email from Candy with her luscious bush, looking to submit photos. How about that for a happy coincidence? "I know a lot of girls shave now," Candy said to us. "But I think bush is beautiful."

Grip it and stick it.

"I shaved my pussy once. It was terrible! I felt so naked, and the stubble was so itchy when it was growing back. I'm never doing that again. I love my bush, and I love when guys grab a handful of hair while we're fucking."

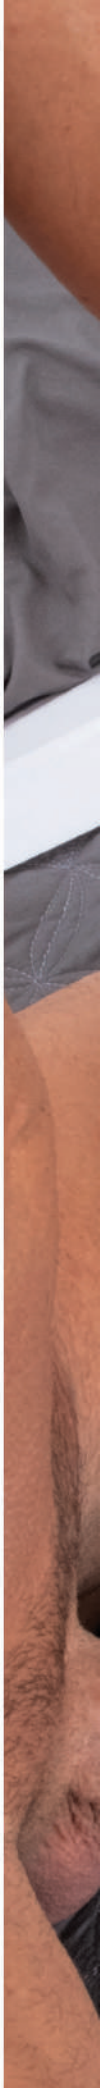
Veronica

Dallas, Texas

"Sometimes I need a good stretch," Veronica shared with us. "I've hooked up with a few guys at school, but none of them were...hung," Veronica paused for a second, looking guilty. "Don't get me wrong, those guys were great and I had a lot of fun. But I wanted to try a dick that actually felt like my biggest toy. The way it fills me up is so fulfilling and sexy. I want to see how much better a real big dick feels."

"I love sucking dick. It's, like, my hobby. I used to think it was gross, but it turns out that was just because the guy I was blowing had bad hygeine. I remember going down on someone else because they asked really nicely and I was like, 'Hang on. This actually is pretty good!' Since then, I've given hundreds of blowjobs and I like to think I've gotten pretty good at it. I can make guys cum super fast with just my mouth."



Veronica's mall days.

"Growing up in Texas was super fun. My friends and I would go to the mall and flirt with boys. Sometimes we'd hook up in the bathrooms and in the changing rooms at GAP. We ran that mall as if we owned it!"

We asked Veronica if the guy we set her up with was big enough to satisfy her. "It was great! The guy wasn't the thickest, but he was going so deep in my pussy, it was driving me wild. I liked it best in doggie-style because I could throw my ass back and really hit my G-spot. That's a surefire way to make me go crazy. He did such a good job, I let him cum wherever he wanted. He picked my face!"

Job: Art student
Age: 19
Birthday: May 9
Height: 5'3"
Weight: 100 pounds

Bra Size: 32B
Panties: Thongs or crotchless
Anal: Rarely
BJs: Sometimes swallow

Cecelia

Las Vegas, Nevada

Cecelia left her small Wisconsin hometown for the bright lights and fast-paced lifestyle that Las Vegas offers. She dropped her accent and her aw-shucks attitude, too. She reinvented herself as a beautiful blonde who likes to suck, fuck and cum on big dicks. And lucky us, we get to watch.

We asked Cecelia to tell us about her sex life. "I need sex daily," she told us. "Like, it's a necessity. My favorite thing in the world is having my pussy eaten really gently. And if I'm restrained, like handcuffed or tied down with bondage ropes, it's even better. After the foreplay, I like doing it doggie-style because it hits a good spot, and I can control the pace by throwing my ass back on the guy's dick."

"I've been thinking about getting my nipples pierced, but I'm scared because mine are naturally hard already, and I don't want to lose that sensitivity. I have a girlfriend who had hers pierced, and she said that sometimes she can cum just from playing with her nips. I think that's so cool. It's almost like a superpower or something. Maybe I'll do it next year."

Fill or spray for Cecelia?

"I really like creampies, but I have to really trust the guy I'm fucking to do it. It's the best feeling in the world, having a load shot deep into my pussy. But if it's just a one-night stand or something, I'll let the guy bust on my chest."

Get up close and personal to innies, outies and everything in between

SOPHIA LUX

Our readers are hardcore pussy hounds. You guys are connoisseurs of cunt, and you probably have very particular ideas about what makes a girl's pussy perfect. Maybe you prefer innies, with all of the good bits tucked up inside an excellent package. Or, you could like a nice meaty pussy with big, suckable lips. Either way, we've got you covered. Here are 11 of the most luscious fuck holes, glistening with juices, waiting to be licked and fucked.

LILY MOON

Vanna is a teenage ballet instructor from Los Angeles. Her bright-pink pussy is as snug as the rest of her tight, young, toned body. Danni Rivers has medium-sized pussy lips, but they're not excessive. In fact, they're perfect for grabbing and pulling them to either side, revealing her hot, wet fuck hole. River Fox has nice, thick outer pussy lips that she loves to play with. The West Virginia native told us that she likes having her fat pussy lips slapped while she's getting oral.

VANNA BARDOT

DANNI RIVERS

RIVER FOX

It wouldn't be a pussy exam if we didn't have some lovely hairy slits to ogle! Annika's perfect Georgia peach of a pussy is tucked back behind a dark, thick patch of luscious fuzz. And her fuck hole is tight and welcoming. Zoe Bloom's sweet cunt looks like an innie while standing, but put her on her back and enjoy her nice, protruding lips. She gets wet just thinking about sex, so her lips are always dripping with her natural juices. Karla Kush's lips are also big, but her clit hood is the unique thing about her kitty. Her bean is crazy sensitive, so be gentle with her!

For the innie-lovers out there, you won't find a cooter with a better form than Alex Blake's. It looks like it was designed in a lab because it is perfect. Considering the monster cocks we've seen her take, it's incredible how pristine it still looks! Chrissy Varner's twat, on the other hand, stays nice and gaping after a fuck session. We can only imagine how good those big lips would feel on our cocks as we pump her full of cum. And Kyler Quinn's waxed-smooth innie is sized extra-small! It's the pink taco of every pussy hound's dreams.

It looks like someone is cruisin' for some action.

"I met a bloke a few times at the airport. He was also driving for the same company I was with. He was nice enough, and we sometimes shared some interesting stories about the drunks we shuttled back and forth. I found out a few months ago that he was picking up sex workers to ride in the front with him. When they picked up single men, the gal would offer her services to the passenger. Not a bad business plan, but he got slapped with some serious penalties after he

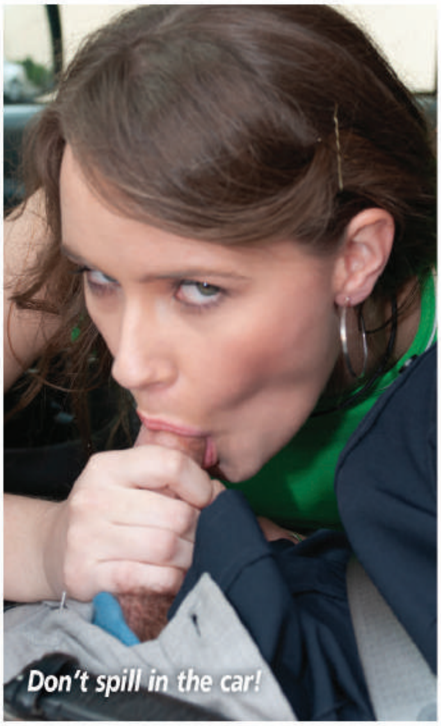
picked up an officer and tried to help the guy out." – L.R., South Australia.

"I was driving a couple back from what looked like a raucous late-night house party. They were sloppy drunk but gave me some nice small talk for a few minutes before they got quiet. Every once in a while, I'd peek back at them in the rearview mirror. Eventually, the girl put her head down and fell asleep. The guy was nodding off, too, but I didn't mind the silence. Right around the corner from the guy's house, I hit a speed bump that wasn't painted and heard a loud choking/gagging/barfing sound. It turns out the girl was blowing the guy the whole ride, and the bump made her accidentally deepthroat him, resulting in a pile of boozy puke in the guy's lap. It was only a minute more to their destination, so I picked up the pace. In the end, the guy took all of the mess on his pants, but he still gave me $200 in cash to not report him, and I got a five-star review." – B.R., Olympia, Washington.



Don't spill in the car!

"I picked up a well-dressed couple from an afternoon wedding. They looked young and in good spirits. They were going to different stops. About halfway through the first leg of the journey, they started making out. I told them to knock it off, and they did for a minute, but then they started smooching again. Finally, I told them I would pull over and kick them out if they didn't stop. I've let stuff like that slide before and found cum stains on my seats. Anyway, I must have scared them because they slumped into different corners of the back seat and got really quiet. I dropped the girl off first, and as she left, she looked at the guy and said,

Now that's shocking news.

"My high school boyfriend shot these pictures. We're not together anymore, but we are still fuck buddies. He suggested we send in the pics for fun. I think I surprised him by saying yes! He did a good job, I think. I think I got him worked up because we had one hell of a fuck after we shot these."

She loves cumshots.

Gracie

Denver, Colorado

College student Gracie is a good girl. In high school, she got good grades, played sports, had tons of friends and had a nice long-term boyfriend whom she loved. But when she dumped her guy and went to college, the whole world opened up for her. And she opened her legs for the whole world, too.

"I started waxing my pussy when a guy I was crushing on mentioned at a party that hairy pussies are gross. Until then, I had always kept a neat little landing strip of pubes. That guy ended up being a real jerk, but I'm still waxing because it just looks and feels better to me. Plus, when I get really wet, my whole pussy looks really shiny and sexy and tasty."

"I want to get confident about doing anal. I like the sensation, and I can even cum with a dick in my ass, but I'm self-conscious and worried every time I do it. I watch anal porn, and those girls look so confident while they're getting hammered! I want to be like them."

Hidden surprises.

"I don't like to get dolled up when I go out. I'm more into jeans and a tee so I can be comfortable. But when I'm feeling horny and want to feel bad, I have a special section in my underwear drawer for slutty crotchless panties."

We haven't had a lot of Bush Babies lately. Sadly, it looks as if the full bush is a thing of the past. Only a few girls still let their thickets fully grow. Thank goodness Jackie is one of them. This naturally busty 20something from Sin City has a beautiful, lush bush that's just begging for sniffing and licking. "I like watching vintage porn from the 90s," Jackie told us. "I like my men hairy, too. The first time I hooked up with a guy who waxed his pubes was hilarious. I feel bad about it now, but I laughed at him. No guy wants a girl to point and laugh at his unit, but I couldn't help myself. He looked like a doll. I mean, his dick wasn't bad or weird or anything, but a hairless dick and balls look like an elephant's trunk sticking out of an abdomen. I made sure to give him a good, long blowjob to make up for laughing at him, but I think I still hurt his feelings. He never called me again."

Feel free to go hard.

"I love having my nipples pinched during sex. Like, grab on and give them a good squeeze! I've been with men who were timid about it, and it's such a turn-off. If a girl tells you that they like some rough stuff, give it to them!"

"Don't tell anybody about this. I'll see you at the next family reunion." I don't know if that means what I think it means, but if it does, then that's absolutely wild. I didn't push the guy to answer as I drove him home. He looked sad." – S.S., San Diego, California.

"A couple of years ago, I picked up a chick from the college blocks area. She was a cute white chick with a cute alternative look to her. She sat up front, which isn't the norm, but I didn't mind because she was pretty attractive. We started talking, and she said she was a musician. I asked her to play something of hers. She did, and it was a little hippie, jam-bandy for me, but she was talented. I mentioned I make music, too, so she asked me to put some of my stuff on.

"Put on some music and relax."

All I had was stuff I uploaded to YouTube on a whim, but I put it on. As it was playing, she was kind of humming along and playing with her hair. After a minute, she looked at me and asked, "Have you ever been sucked off while listening to your music?" Every guy knows the answer to that question, even if it's not true! Anyway, she leaned over and unzipped my pants. She pulled out

my cock and started working away at me. It was probably because it was so unexpected, and she was a stranger, but she gave me the best blowjob of my life. She ended up letting me cum down her throat while deepthroating me. I didn't even know that was possible! Anyway, after I came, she sat back up and told me she'd sub to my YouTube channel. She is still the only one subbed to my channel, and I can see that she sometimes listens to the stuff I post." – R.R.M., Portland, Oregon.

"First of all, I'm female, so I'm usually sketched out about driving single men around in my car. But, I work as a special needs instructor and it's only part-time at the moment, so I pick up shifts driving rideshare occasionally and do a lot of food delivery driving. One time, I got an order that looked like a cash cow. It was a huge food delivery order, and the destination was as far away as possible in my city. The customer pre-tipped almost $40. Score! When I dropped it off at this big-ass house in the suburbs, the customer turned out to be this good-looking man in his 50s. He was handsome and alone. I helped him bring the food inside and we ended up chatting. When I went to leave, he offered me $300 if I stayed to have sex with him. It only took half an hour, and I left with enough money to make my car payment and the rest went toward rent. The sex wasn't bad, either. I ended up swallowing his cum." – P.T., San Antonio, Texas.

"My story isn't very sexy, and I didn't drive rideshare for very long. This couple got in and I could tell they'd been drinking. The girl asked for the aux cable so she could play some music. Whatever. I gave it to her, and she put on some techno-beat bullshit. She kept trying to talk to me and get me to pay attention to her. I nodded and smiled. The guy was kind of zoned out. Anyway, the girl was flirting with me, but I kept everything professional. When I logged onto my account the next day, I saw that the guy had registered a sexual harassment complaint against me! I sent the company my camera footage (always use a dashcam), and it got dropped, but I was pissed." – A.K., St. Louis, Missouri.

Macy

Greenville, South Carolina

We introduced you guys to Macy in our last issue. She's the precocious sweetheart who describes herself as a "total cum slut." Now, you get to see that for yourself. "I'm crazy about cock like most men are crazy about pussy. I can't get enough of it. I like the size, weight, smell and taste of dick."

"My favorite position has to be doggie-style. It's great because I can lose myself in the feeling instead of being distracted by looking at my lover's face. If I'm looking into a guy's eyes, I'll try too hard to ensure he's having a good time and I'll distract myself from cumming."

"I've had a ton of guys ask if they can do anal with me, but it's just not on the table. Sorry, not sorry. My pussy is tight, clean, wet and ready to give you a big orgasm, and guys still will complain that they can't have my ass! That's why I like older guys. They ask for anal, too, but they don't get all butt-hurt when I say no. Older guys are more respectful and sensitive lovers."

She's a dream lay!

"I love sucking dick and swallowing. There's nothing like feeling a cock pulse in my throat. I even enjoy getting facials, which I know a lot of girls hate. To me, there's nothing hotter than having a guy empty his balls on me."

MOMS ON FIRE

Some people believe that tiny, inexperienced teens deliver the most sexual satisfaction. They're wrong. The 10 genuine moms, wives and divorcees in this movie prove it. They're in their 40s, they're in heat, and the only way to cool them down is to feed them cock and fuck their pussies. They deep-throat, suck sloppily, get fucked every which way, squirt and take loads all over their faces. Some swallow and keep sucking.
